Tuesday October 28, 2008

Sharon welcomes back everyone.

Patti Smith and Van Vontoure started the day by distributing the trophies for the bowling games of the preceding evening.

Morning presentations:

Munich Annual Survey (*by David Bruggeman of Munich*)

Clarity in Treaty Wording (*by Willa Nemetz of LLC*)

Next location for fall meeting:

There were two proposals for the location of 2009 fall meeting: Montreal and Dallas. A vote was held and Montreal was selected (with only one vote difference). So RGA and Optimum will be the hosts in Montreal for the 2009 fall meeting.

Committee breakout groups:

Sharon quickly introduced each RAPA committee and invited each attendee to sit with one of their choice to learn more about that committee. The goal was to explain what the committee is doing, and to gather ideas. It was also a good opportunity to officially join a committee for those who were interested.

Conclusion:

Sharon thanks everyone for their participation. She gives special thanks to Patti Smith, Maureen Shippy and Sarah Murphy who organized the meeting and all of the related events. .
