New Opportunities to Explore Reinsurance "Best Practices" and More!

Mark your calendar now to join administration professionals throughout North America at the **RAPA** fall conference in Orlando, Florida.

Take advantage of this resort backdrop to enhance your administration expertise through networking and taking part in a full agenda of topics relevant to today's challenges.

We have designed the conference with you in mind! Join our wide-ranging audience of reinsurance administration professionals, to expand your knowledge on best practices to manage your risk more effectively.

Come meet and connect with your peers and industry speakers. Breaks, receptions and luncheons provide ample opportunity to discuss current issues that you share with your industry counterparts.

Conference Preview

I. New Developments in Regulation

A lively update on the latest regulatory changes and future directions, and their likely effect on life reinsurance.

David Gates,
Senior Vice President, General Counsel and Secretary, Generali USA Life Reassurance Company

David is a graduate of DePaul College of Law (1980) and attended the University of Illinois as an undergraduate. Prior to Generali USA, David was Vice President – General Counsel and Secretary at BMA for 12 years.

II. Where do we go from here?

A view on the current environment in which we are operating and some thoughts on where the industry and its participants will find themselves in the future.

Robert A. Diefenbacher, FSA, MAAA
Senior Vice President, Life and Structured Reinsurance, Manulife Reinsurance

Bob Diefenbacher joined the Boston office of Manulife Reinsurance in 2004, and is responsible for Manulife's Life Retrocession business unit. He has served on the Society of Actuaries' Reinsurance Section Council, and is actively involved in American Academy of Actuaries' recommendations regarding Principles-Based Reserves. Bob graduated with a B.A. in Mathematics from Colgate University, and is a Fellow of the Society of Actuaries.

And more topics to come...
